Initiative to expand reach of ESI scheme launched

STAFF REPORTER

GUWAHATI, June 5: In a major step towards strengthening social security for workers in Assam, the State Labour Welfare department, in collaboration with Piramal Swasthya, launched 'Xurakhya' – a pioneering initiative aimed at expanding the reach and efficiency of the Employees' State Insurance (ESI) scheme.

The programme was formally unveiled here on Thursday.

The initiative, which targets over 13 lakh insured persons and their families across Assam, aims to en-

hance awareness, access, and delivery of ESI services over the next three years. The launch event was attended by B Kalyan Chakravarty, Additional Chief Secretary, Labour Welfare department, who described 'Xurakhya' as a timely intervention that promises a one-stop support system for insured persons with a focus on digital tools, compassionate service, and efficiency.

"With coordinated efforts from all stakeholders and a thorough implementation of the project, there would be a time when health needs of all beneficiaries would be on their fingertips. I am sure if

implemented well, this project would bring a paradigm change in the ESI services," he stated.

The scheme is built on four strategic pillars – governance through digital tools, improved access and service delivery, demand generation and utilization, and enhancing quality of care and patient experience.

Key dignitaries present included Kamaljit Talukdar, ACS and Deputy CEO, Robert Liansiam Guite, Regional Director, ESIC, Dr Jogendra Narayan Goswami, Administrative Medical Officer, ESIS, Abhijit Baruah, ACS and others.

ESIC delivers disability and dependent benefits, expands social security net in Northeast

CHRONICLE NEWS SERVICE

GUWAHATI: In a significant outreach move, the Employees' State Insurance Corporation (ESIC), Regional Office Guwahati, held a special event on Wednesday to distribute Permanent Disability Benefits to insured individuals and Dependent Benefits to families of deceased workers across the Northeast.

The program, aimed at reinforcing social security for the region's working population, was chaired by Pranay Sinha, Insurance Commissioner for the Northeast Region. He was joined by Regional Director Robert L. Guite, Deputy Director Yogesh Prakash, and other senior ESIC offi-

cials. Beneficiaries, employer representatives, and media members also attended the event.

During the ceremony, Sinha personally handed over benefit letters to eligible recipients. He highlighted ESIC's recent initiatives in the region, including the rollout of the ESI Scheme in Manipur and Nagaland, the setup of new DCBOs and camp offices in all Northeastern states, and collaborative efforts with local governments to enhance healthcare access.

He also outlined ESIC's roadmap for further strengthening its coverage and service delivery in the Northeast, with a focus on ensuring timely, accessible

support for workers and their families.

Several beneficiaries spoke at the event, expressing deep gratitude for ESIC's assistance during difficult times. Employers, including representatives from CG Foods Limited, praised the scheme for supporting employee welfare, especially during medical emergencies. They also acknowledged ESIC's proactive steps, such as conducting health check-ups and awareness drives at workplaces.

The event marked a reaffirmation of ESIC's commitment to ensuring that workers and their families in the Northeast are not left behind in the nation's social security framework.
